

# INTERNATIONAL GLAUCOMA SYMPOSIUM

MARCH 11-12, 2016  
VATROSLAV LISINSKI HALL, ZAGREB, CROATIA

FIRST ANNOUNCEMENT

Dear colleagues,

The World Glaucoma Week 2016 is a great opportunity to get together and to update our knowledge about glaucoma.

**The Referral Center of glaucoma of Ministry of Health of the Republic of Croatia**, supported by **Croatian Ophthalmological Society**, organizes **International Symposium of Glaucoma** in collaboration with **Eugene and Marilyn Glick Eye Institute, Indiana, USA**. The **Glaucoma Codes Symposium** will be held during the World Glaucoma Week from March 11<sup>th</sup> to 12<sup>th</sup>, 2016 at the Vatroslav Lisinski Hall, Zagreb, Croatia.

This debut symposium will provide the latest updates in diagnosis, evaluation and management of glaucoma. We would like to bring together glaucoma experts from all over the world with the same goal to share experience and expertise about glaucoma. An important feature of this meeting is the time devoted to questions from the floor and the panel discussions to learn from experts.

It is our great pleasure to invite you to be a part of it!

Mia Zorić Geber
